**WHAT'S TODRINKS?**
A social event to meet like-minded neighbors. No agendas, just drinks with your fellow residents.

**WHO INVITED?**
Everybody who wants to help their community become more vibrant, walkable and welcoming. People who know we can do better but are not sure how to plug in. Income, race and age diversity makes us stronger in the face of today’s challenges.

**WHY?**
Because it’s fun! Transform your community by building new relationships and meeting interesting people. Learn about important local issues in an informal setting and share your story and voice.

**HOST US**
At a bar or restaurant that is accessible by public transit in your community!

*TOD stands for Transit-Oriented Development with a mixture of housing, commercial and/or other amenities integrated into a walkable neighborhood near quality public transportation.*
